FIRMENLADEN

Below are the B2B roaming tariffs for charge points in the Last Mile Solutions network. The tariff code will be available on the different hubs and via Peer2Peer OCPI connections. We can also provide exports of tariffs per charge point when needed.

All tariffs are exluding VAT - Last update 26 February 2024
Changelog: Added CT 143 (in green)

Tariff Code	Currency	tariff per sessio	tariff per kWh	tariff per min	minute fee applies after xx min of start of transaction (min)	Minute fee starts after xx min after finish charging (min)	Comments
